Dear Cronies,--

I have been trying in vain for a long time to write to you. The enclosed letter from the aspirant for a position in the wild garden is self-explanatory. Please keep it for me until I see you, for I may wish to show it to Mr. Wirth. I want also to thank you especially, Mrs. Crone, for what you wrote me about the continuance of the wild garden. There's too much of truth in what you say, but I will soon be able to talk with you about the matter in detail. In this time of depression nothing can be done except to hang on by the skin of one's teeth. And what, if there hain't no skin?

I must tell you how much I am pleased with the Crony Xmas package and what a surprise it was. I have found the Magic Slicer a great convenience in preparing salads, the apron just matches a new dress, the Almanac is packed with valuable information, and the lotus seeds came just in time for distribution here, although I have kept some for experiments in Minneapolis. I gave some to one who came to me for advice in starting a large wild flower sanctuary not far from Boston.

Among other gifts I had two books that I would like to share with you-- colored plates of the birds of New England, 86 of them by the noted Fuertes and 2\* by Major Allan Brooks who continued the work after Fuertes' death; and a book entitled "WAH'KON-TAH", on the history of the Osage Indians, and written by a native Osage. In it you breath the very air of the western plains.

I hope that you have escaped the prev-

alent flu. We have so far, but I am touching wood! The weather is mild here and sunny for the most part. There has been snow, but it quickly melted away.

Wishing you the Happiest of New Years,

Very truly your friend,

*Eloise Butler*
