

The Friends of the Wild Flower Garden, Inc., is a 501(c)(3) Minnesota nonprofit corporation formed in 1952. Its purpose is to educate by enhancing Garden visitors' appreciation and understanding of Minnesota's native plants and natural environments and to provide assistance to the Garden in the form of funding and other support. The Friends coordinate volunteers for the Martha Crone Shelter and the Invasive Plants Action Group. Visit our website: www.friendsofthewildflowergarden.org to learn more about our organization.

Become a **FRIEND** OF THE GARDEN

THE FRIENDS OF THE WILD FLOWER GARDEN invite you to join us in our dedicated service to the Eloise Butler Wildflower Garden and Bird Sanctuary. You will receive our beautiful quarterly, *The Fringed Gentian*, and learn about the seasons of the Garden, volunteer opportunities and special Friends' projects. You will be welcomed at the annual meeting and other member events. Above all, you will be helping to preserve and protect Eloise's unique and lovely "Wild Garden" in the city.

The Eloise Butler Wildflower Garden and Bird Sanctuary is located in the southeastern part of Theodore Wirth Park and is owned and operated by the Minneapolis Park and Recreation Board. The 15-acre Garden is comprised of cultivated but naturalistic woodland, wetland and prairie environments, 2/3 mile of mulch-covered pathways and a rustic shelter where educational programming and materials can be found. It is the oldest public wildflower garden in the United States, and it is open to visitors from April to October. The Friends are proud of our history of advocacy and stewardship for the Garden. We warmly welcome new members to share this special friendship.
